Subject: NJ Muslim Voters Project - Next Step

As-Salaam-Alaikum:

The New Jersey Muslim Voters Project couldn't be more important in lives of our community than during the current times. The NJMVP needs your support to improve our voter registration numbers. Several meetings have taken place over the past year, however it is time to embark on a strategy to and act upon it. We are requesting each organization for the following:

- 1.** Please designate **three (3) volunteers** including sister and youth for the voter's registration drives. Please make sure these volunteers will be able to make time for this critical task.
- 2.** Please provide the volunteer names and contact information to NJMVP team at Info@NJMuslimVotes.org.

We are currently under 25% in registered Muslim voters. Inshallah, with your support our goal is to improve the percentage to 50% on or before November 2016. Inshallah, our next meeting will be on **Sunday, July 24, 2016 @ 6:00 pm at Islamic Center of Passaic County, located at 152 Derrom Ave, Paterson, NJ 07504.**

We are designating the week of **July 24th as the New Jersey Muslim Voter's Registration week** and your involvement will make a world of difference.

Best Regards,
NJMVP Team
